The office of Air Force History is preparing to revise United States Air Force History — A Guide to Documentary Sources, originally published by this office in 1973.

Seeking to enhance this finding aid for scholars and students conducting research in Aviation and Air Force History, the History Office is soliciting assistance in locating documentary and photo collections inadvertently excluded from the current publication.

In addition, two new areas will be added:

1. Oral History Collections
2. Aeronautical Museums

The History Office would appreciate anyone having knowledge of such collections submit information to:

Mr. Lawrence J. Paszek, Senior Editor
